Govt polytechnic for women,Hindupur	Percentage:92.6
•SIVA SAI VIDHYANIKETHAN SCHOOL,KOTHACHERUVU	2021
Ap Secondary Education	Percentage:99.8

TECHNICAL SKILLS

- Programming Languages:** JAVA, SQL, PYTHON, C, C++
- Web Technologies:** HTML, CSS, JavaScript
- Core Skills:** Data Structures & Algorithms
- Database Systems:** DBMS, MySql
- Data Visualization:** Excel, Word, PPT
- Tools:** VS Code, GitHub

TECHNICAL SUMMARY

Programming Languages:

- Proficient in **Java**, enabling development of object-oriented applications with a strong grasp of core programming concepts. Skilled in **SQL** for querying, manipulating, and managing relational databases effectively.

Technologies:

- Experienced in building responsive and interactive web pages using **HTML**, **CSS**, and **JavaScript**.
- Familiar with **DBMS** concepts and experienced in **MySQL** for designing schemas, writing queries, and performing CRUD operations.
- Proficient in **Excel** and Word for documentation.
- Proficient in **Visual Studio Code** (VS Code) for code editing and debugging. Comfortable using **Git** for version control, code collaboration, and project tracking.

PERSONALITY TRAITS

- **Growth Mindset** - Always open to learning and improving through feedback
- **Time Management** - Ability to meet deadlines under pressure
- **Adaptability** - Comfortable with change and learning new technologies quickly
- **Leadership Qualities** - Ability to manage and support the team

PROJECTS

RANDOM PASSWORD GENERATOR

April 2026

Language/FW: HTML, CSS, JAVASCRIPT

- Developed a project that helps to generate random passwords
- It provides Strong security by creating hard passwords
- It prevents from password Guessing
- It saves times and generates passwords instantly
- It is useful for Developers

REGISTRATION PAGE

April 2026

Language/FW: HTML, CSS, JAVASCRIPT

- Developed a Web page used to collect user details and create accounts
- It provides Authentication and security
- Integration with Backend
- Used in many Applications

INTERNSHIP

Internship in elewayte on Artificial Intelligence

June 2025 to July 2025

I learned basic concepts of AI and Machine Learning. I worked with Python and learned how to handle data, train simple models, and understand how prediction works. This Internship improved my technical and problem-solving skills.

Internship in Wipro Infrastructure Engineering

19-06-2023 to 31-11-2023

I completed an internship at Wipro where I worked on SAP system. I gained basic knowledge of ERP system and understood how business processes are managed using SAP.

CERTIFICATIONS

Certified in Wipro Infrastructure Engineering

31-11-2023

Certified in Artificial Intelligence in elewayte

07 August 2025

Certified in AI skills passport by EY and Microsoft

26 August 2025

Certified in NPTEL Certificate in "English Language for Competitive Exams".

LANGUAGES KNOWN

Telugu, English
